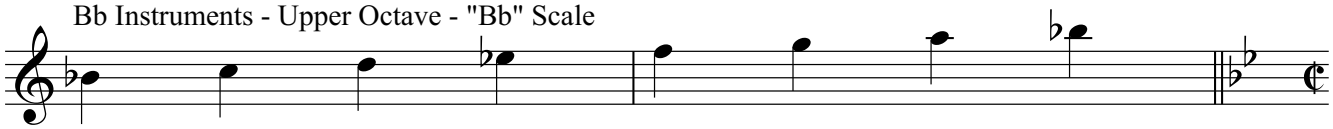
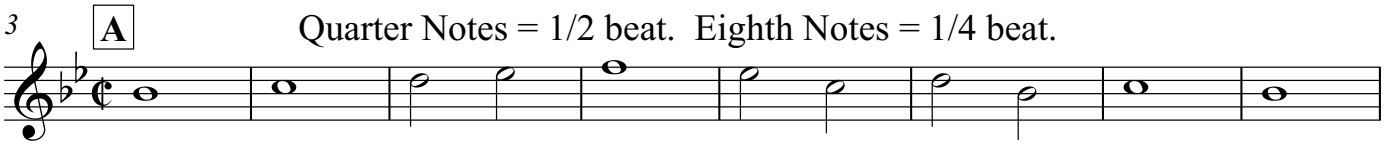
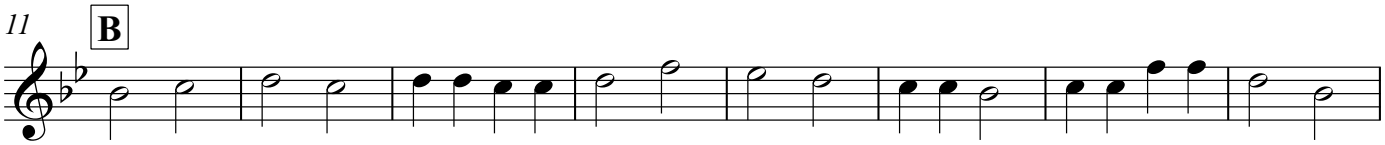
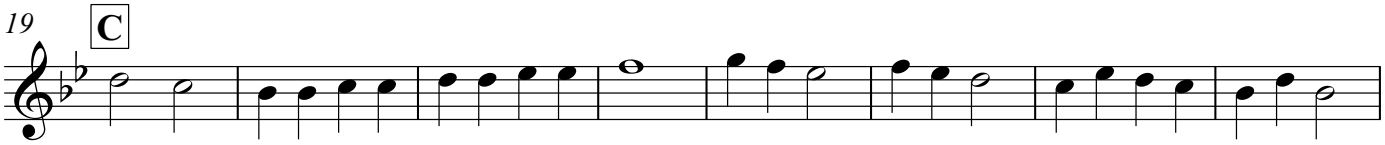
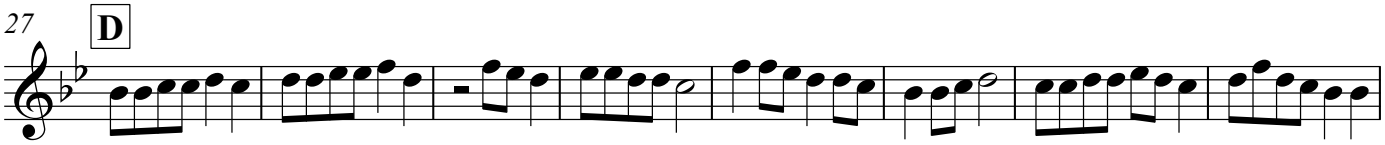
Bb Instruments - Upper Octave - "Bb" Scale

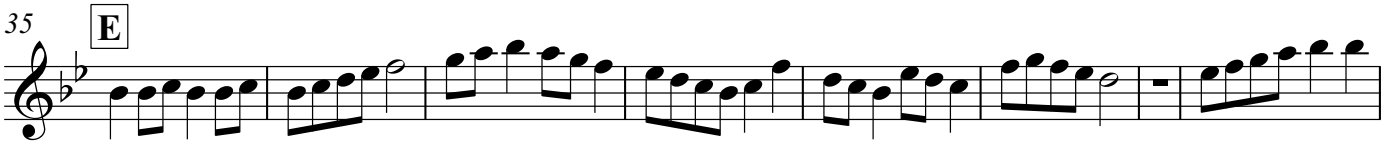


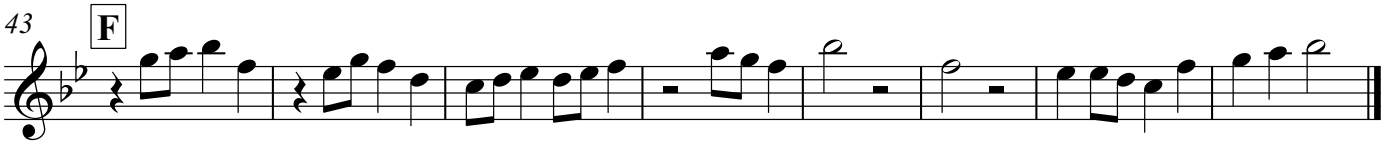












The time signature for "Cut Time" is 2/2.
This means that there are 2 beats per measure, and that the half note = 1 beat.
It looks just like 4/4, but all note values are cut in half.
Half Notes = 1 beat. Whole Notes = 2 beats.
Quarter Notes = 1/2 beat. Eighth Notes = 1/4 beat.
