

# 6/8 Rhythm Worksheet #1

In a fast 6/8 tempo, there are 2 beats in a measure.  
The dotted Half Note  $\text{♩.}$  is equal to 2 beats, or one full measure.

The dotted Quarter Note  $\text{♩.}$  is worth 1 beat.

Three eighth notes  $\text{♪♪♪}$  are also equal to 1 beat.

There will always be a beat 1 and a beat 2.

We subdivide the eighth notes by saying: "1-and-uh"

$\text{♪♪♪}$   $\text{♪♪♪}$   
1 + a 2 + a
