

B SIGHT-READING + RHYTHM EXERCISES

Level 2

F Instruments - Only Octave - "F#" Scale

On this sheet, we will introduce the single 16th note followed by a dotted eighth note. The 16th note is worth the first 1/4 of the beat. The dotted eighth note is worth the final 3/4 of a beat.

This rhythm would be counted "1 -EEEE, 2 -EEEE, 3 -EEEE, 4 -EEEE"

It is important to remember not to make these sound like "Swing eighth notes" but to divide the beat into 4 equal parts and count very accurately.
