

D SIGHT-READING + RHYTHM EXERCISES

Level 2

F Instruments - only Octave - "A" Scale

Quarter note syncopation occurs when a quarter note happens on the upbeat (+)

Usually this happens when there is an 8th note or 8th rest on the beat. 

Once you have a quarter note on the upbeat, it is important to realize that the next thing you write will also be "+"

This is because you are playing 1 full beat starting on the "+"
