

Cresskill Music Boosters *Membership*

The *Cresskill Music Boosters* is an active group of parent volunteers who support the Music Department here at Cresskill Middle School/High School.

Through our membership drive and various fundraisers throughout the year we are able to give additional financial support to the Music Department. Instruments need to be repaired, additional materials need to be purchased, and sometime these fall outside the annual budget for the department. Each year, the Music Boosters give scholarships to many worthy senior music students at CMS/HS. The Music Boosters are a huge help to the Music Department and we look forward to your support!

We have two levels of membership listed below. Please join us!

Regular Membership..... \$10.00
VIP Membership..... \$25.00

With your VIP membership, your name is also put in a raffle for a special prize.

We welcome *additional donations* to this very active department at CMS/HS. We urge you to attend the concerts throughout the year and the football games to enjoy our Marching Band. You can experience first-hand the high level of music performed at CHS! As usual, we will have a table set up at the fall Back-to-School nights for membership and additional information on upcoming musical events. Why not get a jump start!

Please return the bottom part of this flyer to our mailbox, located in the CMS/HS Main Office, as soon as possible. Please make checks payable to *Cresskill Music Boosters*.
