

# G SIGHT-READING + RHYTHM EXERCISES

## Level 1

C Instruments - Upper Octave - "G" Scale

All of the following exercises utilize notes from the key of concert "G".  
The eighth rest is worth 1/2 of a beat, making it equivalent to an eighth note.

An eighth rest can be notated with either a NUMBER or a "+" sign  
depending on where it lands in the measure.

In all of these exercises, the "eighth rest" will be ON the beat,  
so it should be notated with a number, placed above the note.

In all of these exercises, the eighth rest will always be followed by a single eighth note,  
which will be labeled with a "+" sign.
